## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of Plymouth in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Music Hall in said Plymouth on Tuesday, the fourteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see what sum of money the town will vote to raise for the support of the Free Public Library.
4. To see what sum of money the town will vote to raise for the maintenance and construction of highways.
5. To see what sum of money the town will vote to raise for oiling the streets.
6. To see what sum of money the town will vote to raise for state aid construction.
7. To see what sum of money the town will vote to raise for Memorial Day.
8. To see what sum of money the town will vote to raise for Plymouth cemeteries.
9. To choose a Library Trustee for a term of three years.
10. To choose Trustees of Trust Funds, one for a term of two years and one for a term of three years.

11. To see what sum of money the town will vote to raise for defraying the expenses of a District Nurse.
12. To see if the town will vote to authorize the selectmen to borrow money to pay the debts of the town and give notes therefor, countersigned by the town treasurer.
13. To see what sum of money the town will vote to raise for the aid of the Emily Balch Soldiers and Sailors Memorial Hospital.
14. To see if the town will vote to reconsider its action under Article 17 in the town meeting of 1932.
15. To see what action the town will take in regard to refunding its indebtedness by issuing bonds or serial notes, under a special act of the legislature of 1933.
16. To see if the town will vote to discontinue certain portions of the town highway, known as the Sunapee Lake road, from Hoyt Hill north to the beginning of concrete.
17. To see if the town will vote to give a discount on the early payment of taxes.
18. To see what action the town will take relative to the appointment of a zoning commission and the adoption of zoning regulations to regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population and the location and use of buildings, structures and land for trade, industry, residence or other purposes, in accordance with the provisions of New Hampshire Public Laws, Chapter 42, Sections 48 to 68 inclusive, and to see what sums of money the town will raise to carry any votes taken under this article into effect.

19. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and thirty-three.

H. BART HEATH,  
JOHN H. COOK,  
KENNETH G. BELL,

Selectmen of Plymouth.

A true copy of Warrant—Attest:

To enlighten the tax payers of Plymouth in regard to the above report we wish to call your attention to the item \$713.60, the amount re-imbursed by the state for snow removal on the trunk line.

The rates for use of truck and tractor and one helper on each are according to state specifications. An itemized account of work done is sent into the State Highway Department at the end of each week for which we are re-imbursed for the full amount of the statement. This amount is deposited to the credit of the Town Highway Department.

The expenditures for repairs, gas, oil and operation of truck and tractor also tools and supplies for both Summer and Winter is paid out of the Town Highway money. The State does not pay any of this expense.

Therefore deducting \$713.60 from the Winter account which is \$3,360.01 leaves a balance of \$2,646.41 the net cost of snow removal paid by the Town Highway Department.

We have tried to make this report clear to the taxpayers that it may help in future disbursements in this department.

FRANK W. KENDRICK,  
Road Agent.

### REPORT OF DISTRICT NURSE

---

To the Selectmen of Plymouth:

The following is the report for the past year as District Nurse.

I have made 1,002 calls during the year and have been able to collect \$127.50. Due to unemployment, collections have been small. There has been more charity calls this year than previous years.

Respectfully submitted,

MRS. E. C. CHASE,  
District Nurse.

### State of New Hampshire

GRAFTON, ss.

To the inhabitants of the School District in the town of Plymouth in said County of Grafton, qualified to vote in District Affairs:

### GREETINGS:—

You are hereby notified to meet at Music Hall in said District on Tuesday, the fourteenth day of March, 1933, at two o'clock in the afternoon to act upon the following subjects:

1. To chose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the fiscal year beginning July 1, 1933, and ending June 30, 1934.
4. To choose a Member of the School Board for the ensuing three years.
5. To see what sums of money the District will vote to raise to pay the salaries of the District Officers for the ensuing year and to fix the amount of said salaries.
6. To see what sums of money the District will vote to raise to pay the salary and expenses of the Truant Officer for the ensuing year and to pay the expense of taking the School Census.
7. To see what alterations the District will vote to make in the estimates of the School Board as to the amount of money required for the support of schools and payment of the statutory obligations of the District and to see what further sums of money the District will

raise to procure land for schoolhouse lots, for building, repairing and maintaining schoolhouses, outbuildings, fences and grounds connected therewith, for providing suitable furniture, apparatus and conveniences for schools and schoolhouses, and to pay the debts of the District.

8. To see if the District will vote to authorize the School Board to borrow money to pay the debts of the District and to give therefor notes of the District countersigned by the District Treasurer.
9. To see what sums of money the District will vote to raise to cover the expenses of Medical Supervision of the schools for the ensuing year.
10. To see what sums of money the District will vote to raise to enable the Supervisory Union of which it is a member to increase the salary of the Superintendent of Schools above the minimum fixed by law, and to pay other expenses of superintendence.

GIVEN UNDER OUR HANDS AND COMMON SEAL this twenty-seventh day of February, A. D., 1933, at Plymouth aforesaid.

## SUPERINTENDENT'S REPORT

---

Members of the School Board of Plymouth Town District:

I submit the annual report of the Superintendent of Schools.

For the school year ending June 30, 1932, a total of 713 pupils were enrolled of which 543 were residents of Plymouth. There were 639 promotions; 13 failures in completing the grades. The average membership was 689, a significant increase of 69 pupils over the previous year due to additions in high school membership. The Superintendent made 887 visits.

The total high school registration to February 15, 1933 is 365, an increase of 66 above last year; elementary enrollment is 407; total for all grades is 772. During this year changes have been made caused by removals and withdrawals leaving the distribution on February 15, 1933, as follows: High School 342; Model School, 256; Rural Schools, 117; of these, 516 are residents of Plymouth.

The growth of membership in Plymouth High School demands attention

|                   |     |
|-------------------|-----|
| February 15, 1930 | 239 |
| February 15, 1931 | 263 |
| February 15, 1932 | 238 |
| February 15, 1933 | 342 |

The percentage of growth this year is more than double that of preceding years and a fair estimate is a registration of around 400 next September.

This reputation for our high school should be a source of gratification to the citizens of Plymouth. In these difficult times no better place for young people can be found than a school room where they are gaining a worthwhile education, as well as training in character building and citizenship. A competent loyal staff of teachers is working under the leadership of an able headmaster. So much money is received from tuitions that the per capita expense for the high school is one of the smallest in the state. Moreover, the increased membership this year has been taught without increasing the number of teachers nor has any

outlay been made for clerical help in the office. Doubtless the present staff could not handle efficiently a much greater number of pupils as the average is now 31 pupils per teacher in comparison to the state average of about 18. For further details regarding the high school you are referred to the report of Headmaster Moors.

Judging by the success of the pupils entering high school, the elementary schools are giving their grades adequate training. Nineteen of the graduates of the rural schools entered Plymouth High School; only two of the 44 graduates of the Junior High failed to continue their education. Our school system is a unit from Kindergarten through High School.

The State Board of Education has rendered a high service to Plymouth in the establishment of a separate kindergarten under a teacher who is specially trained for this type of work. Miss Evelyn Werme, the critic teacher of first grade last year, accepted the appointment.

The lower floor of the former Congregational parsonage has made an almost ideal location for a total of twenty-five children of kindergarten age. Here they are receiving training in social living that cannot be overestimated.

Again this year no change is to be noted in the teaching staff of the rural schools. Miss Seavey returned as principal of the Model School after graduating from Boston University during her year of absence. The vacancy made by the resignation of Mrs. Matoon was filled by Miss Marguerite Waegeneere, a graduate of Plymouth Normal last June with the degree of B. Ed., and a mature woman of wide range of travel and experience. In the high school Miss Ruth Frye was transferred to the position made vacant by the marriage of Miss Suitor. Miss Rita Stimson of Milford was added to the staff, having graduated with the degree of B. Ed., from the Commercial Curriculum of Plymouth Normal School last June with a high scholarship record and has proved her worth this year.

Health supervision is summarized in the report of Dr. Chase. The untiring cooperation of Mrs. Chase, the District Nurse, is to be especially commended; her services have been invaluable to the schools. The Red Cross, the Pemigewasset Women's Club, and other

friends have furnished milk for pupils who need it while the Girl Scouts have served warm cereal during the winter months.

The favorable progress of the schools is due in large measure to the faithful and efficient work of the staff of competent teachers. The Superintendent is pleased to commend their loyal cooperation. Undoubtedly all are ready to share in a reduction of salary necessitated by the present depression but such reductions should be considered temporary expedients to tide over times of financial difficulty. Your teachers are professional people, trained by study and experience, many of them pursuing summer courses to increase their ability to cope with present demands in education. Their salaries should be adequate to maintain the American standards of living for persons of this type and their service to the youth of Plymouth should be the first consideration of the citizens. The only eternal asset of a community is its children; their preparation for life is essential. If economies are necessary, as they surely are, let us be certain that every other item of town expense is reduced to minimum before the schools are rendered inefficient by so reducing salaries that experienced teachers cannot be retained.

Again I express my gratitude to the School Board and school patrons for their friendly cooperation.

Respectfully submitted,

GUY E. SPEARE,

Superintendent of Schools.

## HEADMASTER'S REPORT

---

To the Superintendent of Schools:

I submit, herewith my fourth annual report as the Headmaster of the Plymouth High School.

### Class of 1932

Out of a graduating class of 53, 22 continued their education in higher institutions and 6 are doing post-graduate work in secondary schools. Of these the distribution is as follows:

|                             |   |
|-----------------------------|---|
| Plymouth Normal             | 8 |
| Middlebury                  | 1 |
| University of New Hampshire | 6 |
| Dartmouth                   | 1 |
| Colby Junior College        | 2 |
| Nurses Training Schools     | 4 |
| Kimball Union Academy       | 1 |
| Oak Grove Seminary          | 1 |
| Plymouth High School        | 4 |

### Enrollment and Attendance

The enrollment for 1931-1932 reached the total of 299, while for 1932-1933 it is already 365. There are only 11 other high schools in the state that have a higher enrollment. It is possible, because of the size of the enrollment, to organize classes into groups under teachers who are experts in their line of work and meet the needs of the different groups in a more efficient manner.

### School Activities

The annual Prize Speaking Contest was held on March 4, 1932, with ten contestants, five girls and five boys. They were coached by Miss Effie L. Muchmore and Miss Dorothy E. Suitor of the English Department. The Contest was keen and excellent. The prizes were awarded as follows: First Girls' Prize, Esther Currier '34; Second Girls' Prize, Elizabeth Tobey '32; First Boys' Prize, Clyde Richardson '35; Second Boys' Prize, Richard R. Rutherford '32.

Under the direction of Miss Muchmore, school news has been sent to the Plymouth Record weekly. One of the classes has published a school paper, the typing and mimeographing of which was done by the Commercial Department.

The Girls Club has functioned as in former years. One of the principal features being the study of problems which confront high school girls. Excellent work has been done in this activity under the direction of Mrs. Keniston, who acts as the girls' advisor.

An English Club, composed of boys and girls, and a Home Eco Club, composed of girls, have done much for themselves in the way of education and furnished programs in good manners at some of our assemblies.

School parties have been held once a month, sponsored by classes under faculty advisors. With the exception of the Senior Reception, these parties have been confined to members of the school, parents, teachers and members of the Plymouth School Board.

The boys have participated in baseball, football, and basketball, while the girls have had an opportunity to take part in basketball. The Girls' Basketball team won the championship in the Pemigewasset Interscholastic League last year and have already won enough games in 1932-1933 to reclaim it. More boys and girls have, in the past year, taken part in these branches of school life than in former years.

Provisions were made in November of 1932 for a school orchestra. Mrs. Harl Pease was engaged as leader and through her zealous efforts much progress has been made.

### **Home Study**

There is no pupil in the high school who does not need to pursue systematic home study. Parents may cooperate with the school if they will see to it that their children have an opportunity for the same. The headmaster invites all interested in the school to visit and confer with him and the staff at any time.

### Conclusion

I wish to thank you Superintendent Speare, the members of our School Board, the citizens of Plymouth, and surrounding towns, and my entire staff of teachers for the wonderful support that has been given me in maintaining our High School.

Respectfully submitted,

CHARLES E. MOORS,  
Headmaster.
